Contract for the Development and Deployment of Coral Client

This Agreement is made on this ___ day of _____, 2024, by and between **Ben Fuqua** ("Seller") and **Corals4Cheap** ("Buyer") for the development, deployment, and maintenance of a software product known as *Coral Client*.

1. Product Description

Coral Client is a web application designed to create a consignment web page wherein authorized users may sell their corals from their own homes while having access to the reputation of the Buyer. It also contains billing, invoices, and maintenance service creation, thus streamlining the Buyer's ability to perform day to day activities of maintaining their client's aquariums and sending them invoices. This Agreement outlines the terms for its pricing, deployment, and management. The product only keeps invoices for 1 rolling year, rolling over at the 1st of every month. Consignment images are deleted after an order is completed.
